

Dow Corning  
Z - 6040 Silane

# CAUTION!

May be fatal or cause blindness if swallowed

May cause skin irritation

May be harmful if inhaled

Do not taste or swallow. Avoid contact with skin and clothing. Wash thoroughly after handling. Do not breathe vapor. Keep container closed. Use with adequate ventilation.

First Aid:

**If swallowed**, do **NOT** induce vomiting unless directed to do so by a physician. Get immediate medical attention. Never give anything by mouth to an unconscious person.

**Incase of skin contact**, immediately flush/wash skin with soap and plenty of water. Remove contaminated clothing and shoes. Wash clothing before re-use. Get medical attention.

**If inhaled**, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult give oxygen. Get immediate medical attention.

**FORMALDEHYDE:** When heated to temperatures above 150C (300F) in the presence of air product can form formaldehyde vapors. Formaldehyde is a potential cancer hazard and a known skin and respiratory sensitizer. Vapors irritate eyes, nose and throat. Safe handling conditions may be maintained by keeping vapor conditions within the OSHA permissible exposure limit for formaldehyde.

For additional information, see Material Safety Data Sheet (MSDS) for this material.
